

The Kestrel

friends & family

Laura Foster is the current chair of Friends and Family, the fund raising committee of Langenhoe School. In the last year the committee has paid for £200 for each classroom's reading books, the Christmas craft afternoon, the pantomime and is now funding new playground equipment for break times.

The committee would also like to support the costs for every class to have a school trip this year.

All of this money comes from the very hard work of a few people who support F&F with their time, energy and a passion for enabling the children of Langenhoe to have as many enhanced opportunities as possible. The committee really does need your help. Can you please support F&F with your time, your ideas and your commitment to the team? There is a desperate need for new people to join this vibrant and vital organisation. Please come along to the next meeting which will be in February (time and date tbc) or send word that you can be part of this passionate and exciting team.

easyfundraising .org.uk

Fundraise while you shop and best of all it's free

We need you!

Langenhoe School is registered with easyfundraising under Langenhoe Primary School PTA.

Since joining we have raised £1466.56 for the school with 73 supporters. Anyone can join. Do you have friends or relatives who shop online? If so, please ask them to join. **It's FREE.**

Over 2000 companies are registered such as amazon uk, Argos, Tesco's, ebay and many more. When you shop they will donate a small percentage, for FREE to our school.

Mrs Bareham has raised £588.84 for Langenhoe school and it hasn't cost her a penny. Could you help too? We really need as much FREE money as possible for our school, especially with the school budget being particularly challenging for all schools.

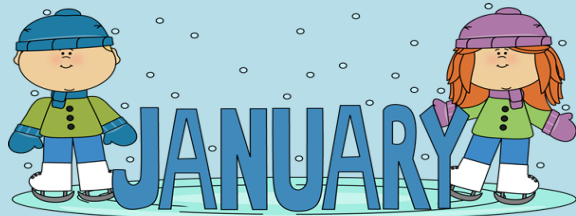

This week a parent highlighted the FREE App available from St John Ambulance to download. They have found it really useful and became aware of it when it appeared on the Martin Lewis programme. Perhaps you would too?
