**Outline of Primary Sport Premium spending 2022-2023**

**Item/Project**

**Objectives**

**Outcome**

**Sustainability**

<p>Funding a wide range of extracurricular activity in order to increase participation and engagement. Lunch time sports clubs – DM Sports Coaching. After school clubs - multi skills, football, dance, and Forest School.</p> <p>To support with funding for families who are struggling to pay for sports, especially swimming.</p>	<p>To offer a broader experience for all pupils by providing a range of sports and activities. To give all pupils an opportunity to try out new sports. To provide a wider range of good quality activities at lunch times and after school.</p> <p>To support families who are struggling to meet the cost of extracurricular activities.</p>	<p>Wide range of sports on offer, with a significant pupil uptake.</p> <p>To involve the children in choosing the sports on offer.</p> <p>To give our disadvantaged pupils the chance to participate in after school clubs.</p> <p>Levels of participation are maintained and increased.</p>	<p>As long as the funding continues, the after school and lunch clubs can continue to run at a minimal cost or free of charge.</p> <p>All external providers have provided the school with a Risk Assessment which has been approved.</p>
<p>Communication with outside activity centres (Danbury Outdoors, Bikeability, Mersea Island Water Sports) to provide new outdoor learning opportunities.</p>	<p>Children introduced to new sports and will learn about water safety in open water.</p> <p>Children will learn cycling proficiency and how to stay safe on the roads.</p>	<p>Children will be given opportunity to try different sports taking advantage of their local environment and local providers.</p> <p>Feedback from last year - children enjoyed the new experiences, learning about the equipment, developing new skills and water safety.</p>	<p>As long as children are interested and we have continued support from parents.</p>
<p>Increase variety and quality of equipment in lessons and at lunch times.</p>	<p>Audit of resources to provide good quality equipment for games and lunchtimes.</p>	<p>Children have equipment that is good quality and will improve performance.</p>	<p>Resources are replenished and stock checked each term to make sure equipment is safe and PE lessons are well resourced.</p>

<p>Organising charity events, sports days and participation in regular sports events.</p>	<p>To involve the wider community in sports activities at school.</p>	<p>Sports events will be well organised and well supported by the school community.</p>	<p>A protocol is established for events and sports days that will continue to be followed.</p>
<p>To improve the subject knowledge of teachers so that PE lessons will be of a consistently good standard.</p>	<p>Teachers' subject knowledge and confidence in teaching PE will improve through subscription to the PE Hub.</p>	<p>Children have consistency in the teaching of sport. Teachers have high expectations of children and provide them with a positive environment during PE lessons.</p>	<p>As long as funding continues; to have yearly subscription to the PE Hub.</p>

**Sports Premium Evaluation 2021 – 2022**

<b>Project</b>	<b>Outcome</b>
Sports Coaching - lessons and lunch time club. After school clubs and Forest School.	Links with DM Sports Coaching are continuing with lunch time and after school clubs. Dance and a range of sports clubs are offered to children throughout the year.
Participation in Life Trust interschool sports events.	We aim to participate in interschool sports competitions between the 4 Colchester Hub schools in the Life Education Trust. The majority of the year 3 and 4 children went swimming.
Repair to PE equipment.	Where advised PE equipment has been replaced and updated. Money was also raised by Langenhoe School Friends and Family and new PE equipment was purchased

**Year 6 Swimming report:**

The percentage of children that can swim competently, confidently and proficiently over a distance of at least 25m: 83%

The percentage of children that can use a range of swimming strokes effectively (e.g., front crawl, backstroke and breaststroke): 67%

The percentage of children that can perform a safe self-rescue in different water-based situations: 50%
