A snapshot of what we've been up to:

Welcome back! It has been wonderful to see all the children return and slot so easily back into learning routines. A special welcome to our newest school members in Robin Class.

This year there are some exciting changes in the pipeline including the opening of a Forest School Nursery and we are about to embark on training for the "Opal Project" which will transform lunchtimes and play-times for the children.

To help guide your comments and enquiries to the most appropriate person in the school we have attached a document which suggests who to contact in the first instance.

We look forward to meeting you at Meet the Teacher sessions next week. If you are unable to attend the class teachers will send out a summary on Dojo.
