Dear parents and carers,

Welcome Back

We hope everyone had a nice festive break and New Year. It was lovely to see everyone back this week!

Heating Update

We recognise the inconvenience that was caused by the issue with heating the classrooms at the beginning of the week, which caused a slight delay to the start of the Spring Term.

Unfortunately over the Christmas break a valve within our boiler room that provides heating to all the classrooms had broken which meant that the classrooms had received no heating. Given the low temperatures on the days leading up to the beginning of term, it meant that the classrooms and corridor were extremely cold. On Monday teachers and admin staff were on training at another school within the LIFE Colchester Hub.

An engineer attended the school on Tuesday and repairs began at 8am on Wednesday morning, with this being completed just before 12pm with the classrooms heating up to the correct temperature ready for everyone's return on Thursday.

We thank everyone for their understanding.
