When ordering tickets, please include your child's name, class and dietary requirements in the message box.

Details are also available on Dojo.

### Pantomime—Mercury Theatre

We have made the decision to attend the Pantomime at Mercury Theatre every other year instead of every year. The next pantomime trip will be in December 2027. There will be other visits provided throughout the year.

### Community Wildlife days—27th March, 22nd May & 3rd July

As mentioned on Dojo—On Friday 27th March, Friday 22nd May and Friday 3rd July, Langenhoe School will be holding Community Wildlife Volunteer Days. To ensure children's healthy and safety within the wildlife area it is important the area is regularly maintained. If you are a parent, grandparent or member of the local community and would to come along and help with clearing and maintain our wildlife area, we would love to see you! All you need to do is report to the school office at anytime from 9am on the above days. While the school has some tools, additional equipment would be useful. Refreshments such as tea, coffee and biscuits will be provided.

Any time you can spare would be greatly appreciated.

### Comic Relief Reminder

Just a reminder that Comic Relief is on Friday 20th March 2026 and the theme is "Take Yourself Funny for Money". The last few years we have encouraged children to bring in their best joke and the winner from each class get their joke read out in assembly. Everyone has enjoyed it so much in previous years, that we will be doing the same again!

Come to school wearing something, alongside your school uniform and bring your best joke too!

### Before School Club

Please can we ask that you are not leaving your child in the staff car park unattended before breakfast club opens at 7:45am. We are unable to accept children before this time and to ensure the safety of children we advise that they are not left alone.

### **Challenge 2026—F&F**

Friends & Family are super excited to introduce “Challenge 2026”. For the next month we are challenging our pupils to raise £20.26 or as much as you can! They can do it individually, as a family or as a group.

The children will be encouraged to raise the money however they like and there are prizes for the most innovative way of fundraising, the year group that raises the most combined amount, as well as the individual who raises the most too. We really hope everyone enjoys the challenge!

We did this fundraiser 2 years ago and were blown away by everyone's effort and ideas. We are raising money in aid of Friends & Family—Langenhoe Community Primary School and every donation will help the school classes directly with much needed resources.

**How to donate:** ONLINE—GoFundMe page: <http://gofund.me/85312ca78> **OR** complete and return the sponsorship form being given out in school.

If using GoFundMe please include giftaid where possible as this really boosts our donations!

Have fun completing this challenge! Deadline is **17th April 2026**.

### **A snapshot of what we've been up to:**

Well done to our cross-country runners who represented our school at Chapel this week. Mr Wilson said you all showed great resilience and sportsmanship. Many thanks to all the parents who helped to transport the children.

Last week Sparrow Class visited Colchester Castle to enhance their study of the Romans. One of the guides commented on how well the children behaved.

Our OPAL project is continuing to grow. A massive thank you must go to Seven Development who installed and filled our sandpit for free. As soon as the field is dry enough we will be introducing the new areas to the children.

We look forward to seeing many of you in the next couple of weeks at class assemblies, homework sharing and parent evenings your support is always appreciated.
